Vacancy: Coachbuilders

Due to expansion of the business we have vacancies for **skilled coachbuilders** at our **BusWorks** premises in Blackpool, working on both classic and modern buses and coaches. We are looking for someone with proven ability and experience in bus coachbuilding techniques.

Applications are invited from coachbuilders who have worked in a similar industry and must possess good Knowledge and experience in welding processes, sheet metal work, fitting and repanelling work using various types of metals including decorative metals, plywood, carpet, floor coverings, plastics, decorative surfaces etc.

The successful applicants will be able to demonstrate quality and efficient body repairs within required time constraints.

Qualifications and experience

- Have served a recognised training programme in an appropriate skill / trade
- Hold a recognised qualification in appropriate skill / trade

Hours of work

- 37.5 hours per week
- Some flexibility will be required for out of hours working (with time off in lieu or overtime as required)

Salary & Benefits

- Minimum of £9.00 per hour for first three months, increasing to £9.40 following review of performance (annual equivalent £18,330 salary).
- Four weeks paid holiday and other statutory leave.
